Praise for Designing with LibreOffice

"An outstanding contribution to help people bring the full power of LibreOffice into their documents. Bruce synthesizes his deep experience of LibreOffice, writing. and typography into a significant text to help users and designers use the software most effectively. The descriptions of the core document concepts will continue to be extremely valuable."
- Michael Meeks, Director, The Document Foundation, creators of LibreOffice

" A fierce advocate of free and open source software (FOSS), Bruce has made it his mission to share his love and knowledge of free software. With this book in your hands, Bruce's helpful, guiding voice, and plenty of easy to follow tables and images, you will learn to love and appreciate what LibreOffice can do for you."
- Marcel Gagné, Popular Linux Journal columnist of "Cooking with Linux"

"Author Bruce Byfield is our reliable guide to mastering [LibreOffice's] rich feature set and understanding how to design an efficient, powerful workflow. **Designing With LibreOffice** teaches everything you need to know about document production....suitable for beginners to wizened old pros, who will probably discover things about LibreOffice that they didn't know."
- Carla Schroder, Author of The Linux Cookbook

 "What an incredibly thorough, useful book!"
- Lee Schlesinger, Ex-editor at Linux.com
